

SOCIAL REGULATION

ART. 1 – PURPOSE OF THE REGULATION

This regulation aims to establish the rules relating to the operation of the association for the application and in accordance with those statutory.

ART. 2 – PROCEDURE FOR THE ADMISSION TO THE MEMBERSHIP

Individuals, associations, companies, organizations, industries, research centers and universities belonging to the European Union, interested in the development of scientific and technological activities on the properties of material surfaces and their applications in aerospace, mechanical, electrical and electronic, energy, biomedical and chemical sector, who wish to join EMASST must submit an application to the President.

Simultaneously with the submission of the application form the payment of social fee must be made.

Applications will be forwarded to the Board of Directors for the approval.

Ordinary and students members will be admitted at the discretion of the Board of Directors.

Honorary members will be announced by the General Assembly with motivation.

ART. 3 – ACTION AGAINST THE NON-ADMISSION

Those who will not be admitted, they will receive written notice along with the repayment of the advance fee. Against this decision it may appeal to the Assembly.

ART. 4 – SOCIAL FEES

Ordinary and Students Members will pay social fee to the extent differentiated established by the general meeting. The payment of the social fee is referred to the calendar year and it may be annual or two years.

Honorary members are not required to pay the social fee.

ART. 5 – PROCEDURE FOR THE ACHIEVEMENT OF “CENTRE OF EUROPEAN REFERENCE”

It is intended to create “Centres of European Reference” on science of surfaces for public and private entities that operate inside the European Union (companies, institutions, industries, research centers and universities) and that have systems and/or qualified laboratories regarding surface science (the study of surface properties and their changes).

“Centres of European Reference”, laboratories which are part of the companies, entities, Industries, Italian universities and research centers or belonging to the European Union can apply to.

“Centres of European Reference” shall not have to pay any additional fee for admission to the Association according to art. 5 of this bylaws, to be paid by the structure of belonging.

Industries, research centers, universities, entities, institutes and companies interested in making their own laboratory and/or plants “Centre of European Reference” on surfaces science and technology, must submit your application with:

- 1) the description of the equipment present in the laboratory and/or plants;
- 2) a qualified technician who works in the laboratory;
- 3) the statement concerning compliance with the plant to the safety regulations of reference;
- 4) the main publications if any of the last five years made by using the laboratory and/or plants equipment;
- 5) nominative of a contact person of the laboratory and/or plant.

Applications will be forwarded to the Technical Committee for qualifying examination and then to the Board of Directors for their approval.

The submission of the applications can be made at any time of year.

One of the necessary condition for the laboratory and/or plant to become "Centre of European Reference" is that the contact person becomes a member or industries, research center or the University of belonging takes this qualification.

ART. 6 – JOINT'S ADMINISTRATION

The Board of Directors shall administer the Association.

The budget of the Association is unique and it will be presented to the General meeting by the President.

The financial statements, budget and final accounts should be examined by the Board of Directors before they are submitted for the approval to the General meeting.

ART. 7 -SOCIAL BOOKS

Headquarters must keep up to date inventories of books, records, members and daily operations.

They are mandatory and must be made available, as well as of Auditors, including all members, for a period of at least 15 days after the meeting during which the financial statements will be presented.
